

Accelerated Math 6 Online Learning: March 23 – 27

For this week, you are to complete the following tasks (I included a box for you to check off each task as you complete it):

1. Log on to Google Classroom

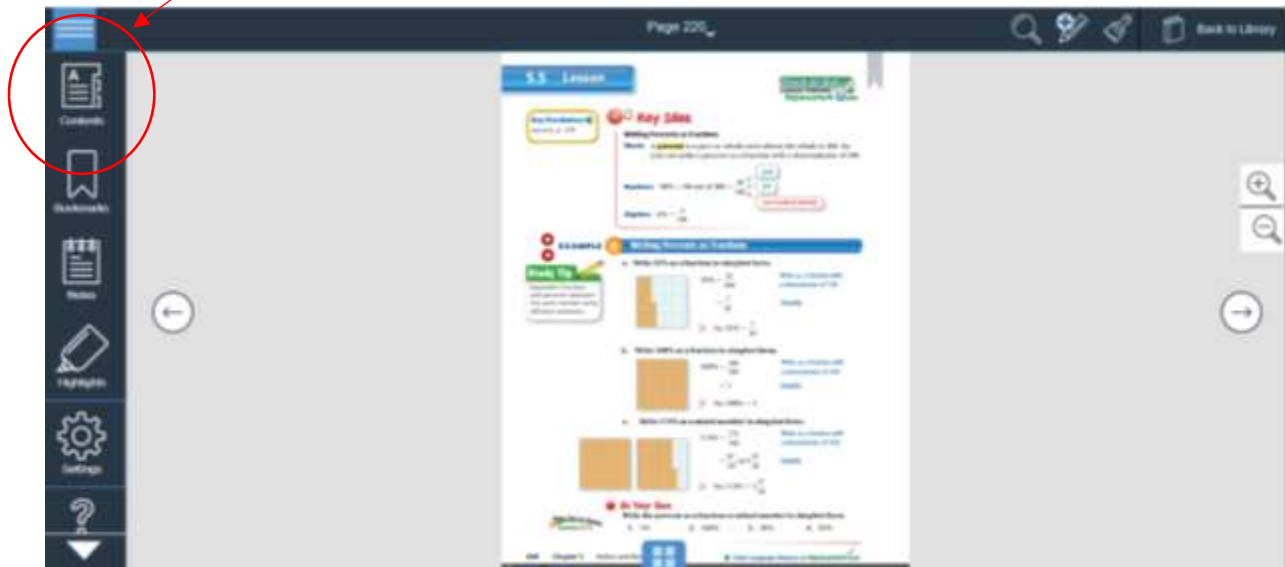

- Watch the 14.3 and 14.4 Writing Proportions Lesson
(Please take notes just as you would as if you were in class. If you just sit there and watch the lesson, you're not going to know how to do it!!)
- Practice Problems: 14.3 and 14.4 Writing Proportions WS (this can be found under the classwork tab or on our class website along with the answers to the worksheet)

2. Log into our Big Ideas Textbook (directions on how to do this are on our website if you forgot how to log on)

Open up the Student e-book.

Go to the Contents tab and go to Lesson 5.5 (pg. 220)

- Once you're on pg. 220, please watch the tutorial for "Example 1: Writing Percents as Fractions" by pressing the red and white "play" button. I've screenshotted it and circled it in red for you here:
(Please take notes just as you would as if you were in class. If you just sit there and watch the tutorial, you're not going to know how to do it!!)

red and white play button

Continue watching the tutorials and taking notes for the following examples:

- Example 2: Writing a Fraction as a Percent
- Example 3: Real – Life Application
- Practice Problems: pg. 222 #9-3 | odd (check answers in the back of the book)

3. Log into our Big Ideas textbook.

Go to Lesson 15.1 (pg. 652).

Watch the tutorials and take notes for the following examples:

- Example 1: Writing Percents as Decimals
- Example 2: Writing Decimals as Percents
- Example 3: Writing a Fraction as a Percent and Decimal
- Example 4: Real – Life Application
- Practice Problems: pg. 654-655 #7-39 odd (check answers in the back of the book)

4. Log on to Google Classroom

- Watch the 15.2 Comparing and Ordering Fractions, Decimals, and Percents Lesson
(Please take notes just as you would as if you were in class. If you just sit there and watch the lesson, you're not going to know how to do it!!)
- Practice Problems: pg 660-661 #5-31 odd (check answers in the back of the book)

5. Log on to Google Classroom

- Complete the Google Form titled "Week of 3/23 Reflection"

**If you can't figure out how to do one of the practice problems and the correct answer isn't the answer you're getting, email me or send me a message through Google classroom and I'll help you out!! Or record in the Google Form that you would like me to make a video going over that problem and I will post next Monday!
**

Thanks for all your hard work this week!

Mrs. Rossier
