

## Accelerated Math 6 Online Learning: March 30 – April 3

For this week, you are to complete the following tasks (I included a box for you to check off each task as you complete it):

- Watch the **homework explanation videos** to any questions you had trouble with (The videos can be found under the Classwork Tab)
- Watch the **15.4 Percent Equation Lesson Tutorial**
  - A copy of the blank notes can be found under the classwork tab or on our class website. Feel free to print and follow along just like you would in class!
- Practice Problems: **pg. 672-673 #11-26 all** (the answers can be found under the classwork tab or on our class website)
- Practice Problems: **15.4 Word Problem Worksheet** (this can be found under the classwork tab or on our class website along with the answers to the worksheet)
- Watch the **15.5 Percent Increase, Decrease, and Error Lesson Tutorial**
  - A copy of the blank notes can be found under the classwork tab or on our class website. Feel free to print and follow along just like you would in class!
- Practice Problems: **pg. 680-681 #1-27 odd** (check answers in the back of the book)
- Complete the Google Form titled **“Remote Learning Week 1 and 2 Check Up”** (This is a check up to see how you are doing with the material. It is NOT graded!)
- Complete the Google Form titled **“Week of 3/30 Reflection”**

**\*\*If you can't figure out how to do one of the practice problems and the correct answer isn't the answer you're getting, email me or send me a message through Google classroom and I'll help you out! Or you can submit the problem in the Google Form at the end of the week! \*\***

OPTIONAL: *If you would like some additional practice, you may complete the following worksheets that can be found on Google classroom.*

- 15.4 Optional Practice Worksheet
- 15.5 Optional Practice Worksheet
- Optional Practice Worksheets from 14.3, 15.1, and 15.2 Lessons posted last week

Thanks for all your hard work this week!

Mrs. Rossier
