

Accelerated Math 6 Online Learning: April 20 – 24

For this week, you are to complete the following tasks (We included a box for you to check off each task as you complete it):

- **Task #1** - Take attendance – Open the **Week of 4/20 Attendance Form** shared on Google Classroom and let me know you're "here" this week!

- **Task #2 – 4.3 Extension Area of Composite Figures**
 - Watch the **4.3 Extension Notes** Lesson - Feel free to print a blank copy of the notes and follow along just like you would in class!
 - **Complete and check: 4.3 Extension Worksheet**

- **Task #3 – 4.4 Polygons in the Coordinate Plane**
 - Watch the **4.4 Notes** Lesson - Feel free to print a blank copy of the notes and follow along just like you would in class!
 - **Complete and check: Textbook pg. 178-179 #7-21 odd**
 - This homework requires that you graph. If you have your own graph paper, feel free to use that. Otherwise, I have put "Blank Coordinate Grids PDF" in our Google Classroom for you to print out and use, if you are able to.

- **Task #4 – Complete the Weekly Check Up: Google Form titled "Week of 4/20 Check Up"**

****If you can't figure out how to do one of the practice problems and the correct answer isn't the answer you're getting, email me or send me a message through Google classroom and I'll help you out!****

OPTIONAL: *If you would like some additional practice, you may complete the following worksheets that can be found on Google classroom or IXL standards using your RCS login.*

- [4.3ext Optional Practice Worksheet](#)
- [4.3 Extension DAY 3 Worksheet](#)
